

### **OFF-SITE AGILITY SEMINARS:**

- Each seminar will be of 3 hours (or multiples thereof) duration to ensure maximum concentration levels for both handlers and dogs. If you wish to organize a full day seminar, this would consist of 2x3hour sessions (Participants in full day seminars should be aware of their own dog's level of drive and concentration).
- We advise 8 working spots to enable all to participate fully. If you would like more this can be arranged. Please discuss with us.
- Handlers may bring more than one dog to the seminar, but will be allowed to work only one on each exercise.
- No limit to auditing spots.
- Auditors will be encouraged to participate fully by asking questions etc. and will be permitted to walk the courses if space and numbers allow.
- Cost for the above - \$400 per 3 hour seminar (i.e. \$800 per 6 hour teaching day) plus expenses.
- Two 3 hour seminars should be scheduled for each day whenever possible. In exceptional circumstances 1x 3 hour seminar and 4 private lessons could be scheduled in the same day.
