(Please be as detailed as you can. This information will help us to help you and your dog.)

What I love about my dog:

What my dog already knows:

What my dog really loves:

(Please include edible treats / toys / bones / petting / walks / activities etc. – think of as many as you can)

What my dog is afraid of:

Challenges I am facing with my dog:

Our board / train option typically encompasses behaviors such as:

- Polite door behavior
- Go to mat
- Leave it
- Recall
- Loose Leash Walking

Please let us know which of these behaviors you would like us to work on with your dog. Or if you have any other behavior that you would like us to work on, please let us know.

For clients whose dogs are involved in dog sports such as agility, obedience or treibball, we would be happy to tailor your dog's training to that sport during his stay. Ask us for details of this option.

If your dog has a behavior that you perceive as more severe, it may be more appropriate to work in a different way with your trainer. Ask about our behavior consultations.

We reserve the right to terminate any period of board / board training and refer clients for additional expert advice should the need arise. (Exceptional cases might include, but is not limited to, excessive aggression towards DogLogic personnel.)
